

The Kennedy Bloodline

To be a researcher and to be informed that the Kennedy family is a top 13 Illuminati family is akin to being told a needle is in a haystack. Someone has estimated that there are 200,000 Kennedy's in the United States.¹ And on a list of the most populous surnames of Ireland in 1890 Kennedy ranked 17th.² And a recent book listed it as 16th most common today. Fortunately, there is information that allows me to identify at least part of the Satanic Kennedy's from all the rest of the Kennedy's. You will learn some of this later in the article.

KENNEDY TIES TO OTHER ELITE FAMILIES

Again the ties between various Illuminati families is very involved, and a long unraveling process, similar to untying a set of bad knots confronts the researcher. The Kennedy family abounds with marriages to names such as Anketells, Baileys, Booths, Buckley's, Collins, Hatfield's, Humphrey's, Freeman's, James, Phelps, Reagan's, Russell's, and Smiths.³ The Kennedy's that we will look closest at are related to the Fitzpatrick's, a powerful Irish family whose coat of arms has 3 fleur-de-lis with a dragon and a lion. (The Fitzpatrick's may tie back to France, and they may possibly part of the Sang Royal (Sangraal--Sang Raal is the term used in the older manuscripts which can mean both Royal bloodline or Holy Grail.) Jackie Bouvier Kennedy Onassis who married John F. Kennedy was tied to the Auchinclosses via her sister's marriage into the Auchincloss family. The Auchinclosses are Scottish bloodline of the Illuminati.

"One can fairly hear the woof and tweet of history whistle through the names of the ramified Auchincloss tribe: Bunt, Grosvenor, Rockefeller, Saltonstall, Tiffany, Vanderbilt and Winthrop among others."⁵ For instance, Hugh D. Auchincloss, Sr. married Emma Brewster Jennings, daughter of Oliver B. Jennings, who co-founded Standard Oil with John D. Rockefeller. As for the numerous Kennedy intermarriages with notable names, for instance, Bernet Shafer Kennedy (1798-1878) married Phebe Freeman in 1820.⁶ But then the question arises--were either of these people secretly part of the occult? Andrew Kennedy married Margaret (Penny) Hatfield (1824-1989). The Andrew Kennedy family is allied with the Hatfield, Bailey, Collins, and Mullins families.⁸ Again a person is confronted with a great deal of clues, but precious little time and resources to try following up the numerous leads.

ORIGINS OF THE FAMILY & THE RELATIONSHIP OF THE KENNEDY'S ⁹ (See footnote 9 for the reference to consult concerning this entire section.)

There are several versions of how the Kennedy's got started, but when one goes in and examines things, what turns out is that the origins of the Kennedy's in Ireland are very clear. They are descendants of Brian Born (also known as Brian Caeneddi) and his nephew who spelled it Cinneide. The name thereafter was O'Kennedy. They originally were a Dalcassion sept, and were in the area near Killahoe, and Killokennedy parish is a reminder of that ancient fact. The O'Briens and MacNamaras forced them into new territories where they became the Lords of Ormond--what is now north Tipperary. Most Kennedy's in Ireland today are still found in that area. The Kennedy's remained powerful into the 16th century.

The Kennedy family divided up into 3 branches:

1. Don (brown)
2. Fionn (fair)
3. Rua (red)

THE SCOTTISH KENNEDY'S

Around 1600 a Scottish branch of the Kennedy's appeared. There are several stories as to how they got their name Kennedy, and it is possible that they were not from Ireland. However, interestingly, genealogists have ascertained that whether the various branches of the aristocratic Kennedy's in Scotland and Ireland may have different origins (because the origins of the Scottish branch is unclear)--it can be shown that they all subsequently intermarried and became related if they were not related to begin with. Gayle Marie Kennedy points this out on page 3 of her book *My Kennedy Ancestors...*, 'It is believed that all the foregoing Kennedy families are related either by virtue of being descendants of common ancestors, or

by intermarriage." I looked up in Burke's General Armory to get a listing of the aristocratic Kennedy's and here is what I got:

Kennedy's of Ardmillan, County Ayr, Scotland

Kennedy's of Auchtyfardell, County Lanark, 1752

Kennedys of Blairquhan, County Ayr, Scotland

Kennedys of Clowburn. County Ayr, Scotland

Kennedys of Cultura, County Down, Northern Ireland

Kennedys of Dublin Fun Ent, 1595, Ulster, Ireland

Kennedys of Girvanmains, County Ayr, Scotland

Kennedys of Hill Foot, Ireland

Kennedys of Kirkmiehael, County Ayr, Scotland

Kennedys of Kirmucks, Aberdeen, Scotland

Kennedys of Londonberry, Northern Ireland

Kennedys of Tombrechan, County Tipperary, Ireland

Kennedys of Underwood, County Ayr, 1850, Scotland

Kennedys of Visit Dublin, 1607, Ireland

Johnstown-Kennedy of County Dublin, Ireland

Kennedys of Bargany and Ardstencher, County Ayr, Scotland

Kennedys of Kirkhill from the Bargany group, 1678, Scotland

It is clear that there have been quite a number of powerful aristocratic Kennedy's. One of the more powerful recent Scottish aristocrat Kennedys was the Marquess of Ailsa (1872-1943). Because he is often called the Marquess of Ailsa you might not know him by his name Archibald Kennedy, who was the 15th Earl of Cassillis. This branch of the Kennedy's married into Scottish royalty. For instance, Sir James Kennedy married Mary, a daughter of King Robert III, and their son was Sir Gilbert Kennedy who was made Lord Kennedy before 1458. Archibald Kennedy was an extremely powerful Freemason and held numerous key positions in the Grand Lodge of Scotland. He was 1st Grand Principle from 1913 to his death in 1943. At his death his titles passed to his brother Charles. Archibald Kennedy was initiated in Holywood House Lodge No. 44, Edinburgh, Nov. 17, 1896. (10,000 Famous Freemasons, Vol. I,--put out by the Missouri Lodge of Research, p. 8)

HOW ARE THE VARIOUS PROMINENT KENNEDY'S RELATED?

So the question always arises as I examine the elite of the Illuminati and the New World Order--how is this Kennedy related to this other Kennedy. For instance, how is David M. Kennedy (who is a Bilderberger) and William Jesse Kennedy III (who is a key man for the Duke Illuminati family--he is pres. of Mutual life Insur. Co, a Duke financial asset, dir. of RCA, trustee of the Ford Theater where the elite killed Lincoln, and associated with the Pilgrim Soc. through the Conference Board of NYC)?? Although I can't explain the exact ties, I can safely say that if one goes back several hundred years the Kennedy aristocrats all tie together.

BEGINNING AT THE BEGINNING

One of my first clues that the Kennedy's had something to do with the Illuminati was the conspiracy book *The Widow's Son-- The Historical Illuminatus Chronicles* (Vol. 2) by Robert Anton Wilson. Robert Anton Wilson and Robert Shea, authors of "Illuminatus!" are not Christians. On the contrary, they are regular participants in the central Ohio Starwood Festival for witches and pagans. Robert Anton Wilson has publicly on a number of occasions explained that he is a Gnostic and a great fan of Aleister Crowley. I

picked up Wilson's book *The Widow's Son* in a Satanic/New Age bookstore. In both volume 2 (the teaser chapter at the end) and in volume 3 of *The Historical Illuminatus Chronicles* one is taught the significance of Brian Caeneddi, the first Kennedy, and how Brian Caeneddi's blood got into some very important royal bloodlines. It is interesting that an informed man like Wilson, who spends time doing rituals with Gnostics and Witches, would declare that the Kennedy family is an important bloodline in connection with the Illuminati. How many people knew that Tip O'Neil, speaker of the house of representatives, was a descendent of the Kennedy clan? Wilson writes for New Agers and witches, not for Christians. One gets the feel that his experience with the occult has somehow given him a very good idea of what is going on in terms of the Masons, the Illuminati, etc. He writes his books in such a way that they are historical novels with a great deal of facts, and yet one is always left wondering by the style of writing whether the author wants to be taken serious or not, is what he writes make-believe or history padded with some fiction? I personally believe it is just the way the occult works, they expose the facts for their own people, but in a way that will not be taken seriously by others. Wilson acts like a buffoon one minute and a serious conspiracy researcher the next, and he will act both ways all in one article or even on a single page of his books. When a person checks up on Wilson's facts, they usually hold true. On my part the information about Brian Caeneddi was astounding. I had to go as soon as possible to verify it from other sources, and it turns out Wilson was accurate about their genealogy,¹⁰ and their importance in the Illuminati activities historically, etc.

THE ILLUMINATI & MATTHEW KENNEDY

One of the chief lodges for the branch Illuminati prior to 1784 was located in a hugh chateau at Ermenonville near Paris, France. The land belonged to the Marquis of Gerardin, who protected Rosseau and later gave Rosseau a tomb on his estate. St. Germain precided over this Illuminated lodge. This Illuminated lodge carried out blood rituals with a altar made from human bones. Interestingly, one of St. Germain's good friends who came over from Ireland to Paris was Matthew Kennedy (1652-1735). Matthew Kennedy was connected with St. Germain's court, and wrote *A Chronological, Genealogical and Historical Dissertation of the Royal Family of the Stuarts*. In 1613, the Stuart family had married into the Sang raal, and began to play a role in the genealogies of the Prieure de Sion. Frederick of the Palatinate after he married Elizabeth Stuart established an occult 'Rosicrucian' state. It was Frederick who helped start the bloody 30 yrs. war between the Protestants and Catholics. The Stuarts spread the Scottish Rite of Freemasonry throughout Europe. For a while the Prieure de Sion seems to have backed the Stuarts, but at some point quit. St. Germain is revered as a Christ figure by the I AM movement and the Church Universal Triumphant, and other new age groups. A picture that looks similar to Christ, but which is actually a picture of St. Germain hangs in many of the houses of people involved with the I AM movement or its spin-offs. It is significant that an Irish Kennedy who was interested and liked the Stuart dynasty would be part of St. Germain's court and a popular writer for them.

JOHN FITZGERALD KENNEDY

If John F. Kennedy had not been assassinated and so much about his life examined and written about, a window allowing us to see the Kennedy Illuminati family may never have opened so wide. First, the assassination attracted attention. In recent years, the Illuminati have given permission to publishing houses to print exposes of J.F.K.'s sexual life, etc.¹¹ It is believed that this permission was given in an effort to deflect criticism of his assassination by allowing his reputation to be tarnished.¹² (I hope my readers are beginning to realize that things are totally corrupt at the top, and that JFK was no different than so many others that have been and are today at the top of the political mess in this nation.) John F. Kennedy had a very active sex life, even after he married Jackie, and even after he was President in the White House. For those who don't think secrets can be kept by the elite, one only has to look at how John F. Kennedy was able to have sex with many women while President and to have frequent nude swim parties at the White House pool and the general public not know anything about it.¹³ John F. Kennedy's lust for women was well known by the elite. Illuminatus McGeorge Bundy warned his friend JFK (while JFK was a Senator) that John's openness with women might get him into trouble with the public. John F. Kennedy was so open about his sexual habit, that at one party at the Mayflower Hotel in Washington, D.C. John F. Kennedy openly had sex with one partner in front of the party, while his friend Senator Estes Kefauver did the same. Then they swapped partners and began again in plain view. John F. Kennedy had many "one-night-stands" as the world calls them. These were merely women hustled up by his aides or the secret service or his friends like Frank Sinatra. But Kennedy also had long term relationships with some of the women he was sexually active with. It is those relationships which reveal so much about the hidden Satanic side of the Kennedys. John F. Kennedy had three long term girlfriends, Marilyn Monroe, Jane Mansfield, and Zsa Zsa Gabor which were ALSO girlfriends of Anton LaVey, who has headed the Church of Satan. Jayne Mansfield was a high priestess of the Church of Satan. Marilyn Monroe was a participant in LaVey's satanic rituals before LaVey founded his Church of Satan. Both JFK and his brother Robert Kennedy had affairs going with Marilyn Monroe, and both visited her just prior to her mysterious

death. Zsa Zsa has been interested for years in the occult. (JFK also had relationships with other women connected with the Illuminati also.)

Before we examine the significance of these three relationships of JFK's, and before we get into his liaisons with other women who were Illuminati connected, let's cover the relationship between Anton LaVey and the Illuminati. California was very fertile soil for Satanism due to a host of factors. Two lesser known factors are that there were Haitian communities which practiced voodoo in California at the early part of this century. Also California became a haven for witches and Satanists fleeing from France, So. America, Cuba, and other places where their Satanic practices were not tolerated. California had a reputation for acceptance of their evil rituals. When one adds to this such things as Hollywood it is easy to see how San Bernardino valley has become such a strong Satanic center. Anton LaVey's maternal grandmother was from Transylvania. It was from that side of the family the Anton got some encouragement toward the occult. Anton La Vey loved horror movies. He studied Aleister Crowley, and the O.T.O. which had lodges in California which is where he lived, and in 1947 he joined the Clyde Beatty Circus. The Beatty family connects in with the Illuminati families also by the way. LaVey worked for several circuses and learned how to be a showman. He worked the occult sideshows of the circus, and found that people wanted to believe occult frauds. Anton LaVey found Marilyn Monroe, a Jewish girl, working as a striptease in the strip clubs. LaVey helped her performance, and through his connections got her started on her big career. LaVey used his talent of showmanship to create a type of Satanism that could be marketed to the public. LaVey always manages to walk a tight-rope between openly supporting hard-core Satanic practices such as human sacrifice and being just simply theatrics. In other words, he blatantly supports enough evil to attract evil people, but he publicly never allows himself to be connected in any way with child molestation, human sacrifice, etc. Anton LaVey was into Satanism before the 1960's, but it was not until 1966 that he founded the Church of Satan. Some hard core Satanists feel he is "all show," other hard core Satanists form covens and try to serve Anton LaVey, because they view him as a role model.

The Illuminati set up their headquarters in Southern California this century. San Bernadino county is their headquarters. Of course as I have written before that the Illuminati is too secret to carry out any thing themselves. They need co-workers. The Illuminati is strictly hereditary. The Illuminati secretly control the Satanic cults at what is sometimes described as Stage 4 and Stage 5 of Satanism. The lower levels are for recruits, the grunts, the privates so to speak in Satan's army. In the San Bernadino area, one type of high priest of Stage 2 or 3 is the Master Counselor. Other positions include the Keeper of the Books, and the Keeper of the Seal. In the late '60s, Mike Warnke, who was a high priest, a Master Counselor, raised the number of Satanists in the first 3 stages to 1,500 members in the San Bernadino area (San Bernadino-Riverside-Colton). Bear in mind that these 1,500 active Satanists are not Illuminati members--they are much lower than the lower Illuminati ranks such as the Sisters of Light. The Sisters of Light and Five-Star generals and an Asmodeus who are the middle management types of the World Order who direct the upper levels of priests of the covens of Satanism that are open to the public. Anton LaVey participates in conferences for the occult where Satanism (the first 3 stages) and secret Illuminati overseers are present. In other words, LaVey is not out of touch with hard core Satanism, he just manages to keep his public profile clean. It is meant that way. Anton LaVey is a publicity agent to give Satanism a good image.

MARILYN MONROE

Anton LaVey knew how to be a showman. He took Marilyn Monroe, helped her with her acting and with his connections helped her get a chance to act. John F. Kennedy had a long term relationship with Marilyn Monroe. When J.F.K. was elected at the convention to be the Presidential candidate the Kennedy's threw a party at the convention. The party was described this way, "every delegate (at the convention was provided by the Kennedy group with anything they wanted for their entertainment including liquor and women sent to their room." JFK spent the time at the convention and the next day afterwards "making love' to Marilyn Monroe. After his acceptance speech the whole group went over to his close friend Peter Lawford's for a skinny-dipping party. Peter Lawford, Frank Sinatra and Sammy Davis, Jr. were close friends to each other and to John F. Kennedy. Sammy Davis, Jr. became a member of the Church of Satan after LaVey started it. From the middle of 1955 to the end of 1959 JFK had a suite on the 8th floor of Washington's Mayflower Hotel set aside for his extramarital affairs. (FBI File)

JAYNE MANSFIELD

During the 1960's Jayne Mansfield and John F. Kennedy had their relationship. They met at places like Beverly Hills, Malibu, Palm Springs. JFK had several men who "bearded" for him. That is they would act like the women JFK was to get, were their own date. One of these was Dave Powers, who even went so far as to write in a book Johnny, We Hardly Knew Ye that whenever Jackie left Washington. JFK (Jack) and him would eat together and then the President would say his prayers and go to bed alone. One of the things Dave Powers did was to help procure a steady stream of new women for Jack.

Some of the other on-going sexual relationship that JFK maintained were:

- Lady Jean Campbell-daughter of the Duke of Argyll

??Flo Pritchett Smith-wife of the American Ambassador to Cuba

- Kay-Kay Hannon Auchincloss - (In this case although they had a long term close relationship no-ones knows what they did together.)

- Judith Campbell Exner- Judith was Sinatra's girlfriend who he passed on as a favor. Judith worked for the Mafia, in particular she worked for Sam Giancana and John Roselli, who for some reason also both worked for the CIA.

Exner ran letters between the Mafia and John F. Kennedy while he was President. (according to People Magazine, "The Dark Side of Camelot", Feb. 29, 1988.)

It is also known that JFK was in direct contact with Meyer Lansky and Joe Fishetti, two other Mafia chiefs, and that he benefit from money they passed on to him. This is no surprise because Jack's father had worked with the Mafia Jack's entire life. There are a number of respectable books by ex-Satanists or ex-Organized Crime members where they are clear about how those groups love to blackmail people. John F. Kennedy certainly could have been easily blackmailed by these groups if they had wanted to. I haven't seen any indication that blackmail was even tried, so the only other conclusion, which fits a lot of evidence, is that John F. Kennedy worked with the Satanists and the Mafia. In fact, the Mafia rigged several important counties in the election, like in Chicago, which tipped the scales in John winning the Presidency. That's an entirely different thing that this article won't get sidetracked on.

A POEM BY JACKIE

Something that Jackie wrote on their honeymoon about Jack seems to me significant. When Jack and Jackie we newlyweds after their wedding Sept. 1953, the President of Mexico Don Miguel Alemán, let Jackie and Jack use his villa. During their use of the Mexican President's villa, Jackie wrote a poem about John her new husband.

"He would find love

He would never find peace

For he must go seeking

The Golden Fleece."

(A Woman Named Jackie, p. 134.)

One of the writing projects that I have wanted to see done, and I have delegated it to a good friend, is to give my readers an article on MJ-12, a.k.a. the Wise Men, or the Study Group. This group of men actually run the United States. I know a good deal about the Study Group, in fact if my sources are correct it isn't a formal group anymore. There are not formal meetings, but rather meetings happen at random with people "accidentally bumping into each other." MJ-12 draws members from the Jason Society and the Jason Group. Both the Jason Society and the Jason Group are named after Jason and the Golden fleece. There are reasons to believe that Jackie knew some of the way the power structure operated. Jackie was good friends with many of the top Illuminati men in this nation. In fact, she ended up marrying Onassis, who was a King in Moriah (the Illuminati). Could Jackie have meant in this poem that Jack was wanting to climb the ladder clear up to The Golden Fleece, i.e. the Jason Society and MJ-12?

JOSEPH KENNEDY

Joseph Kennedy was John F. Kennedy's father. Through various means I independently learned that Joseph Kennedy was part of the Illuminati. He was a member of the Pilgrim Society (a 60 of the branch Illuminati). He also worked closely with the Mafia, and other Kingpins in the Illuminati. Perhaps in another article we can cover more about Joseph Kennedy. This article is about long enough. I thought I might wrap it up with a story about Joseph Kennedy. The story demonstrates that much of what politicians tell the public is simply for their own benefit, and often only lies. Jack Kennedy got the reputation after Britain and the Germany began fighting in W.W. II, as being against the United States entering the war. Jack Kennedy held the prestigious job of being the U.S. ambassador to Great Britain at the time. The fact that Jack Kennedy was given such an extremely vital position shows that the Kennedy family is important

within the Illuminati. At that point in time, like no other time, it was important who the U.S. had as ambassador. After the war began, and both countries had martial law, and extensive military communications, the ambassador was really not quite so critical in his role. One of the men who worked at the embassy for the Americans was an American Tyler Gatewood Kent, a career officer in the U.S. Consular service. Tyler Kent believed in a world conspiracy before he began working in the code room. While he worked there he was astonished that Roosevelt was secretly involving the United States in W.W. II and lying to the American public. Further, Roosevelt was pulling strings to get us involved while lying to the public. Kent secretly took 1,500 pgs. of secret documents, which he was going to show to the public to expose the conspiracy. Kent never made it. He was arrested.

In order for the British to hold him, Jack Kennedy had to revoke his diplomatic immunity on May 20, 1940. Ambassador Joe Kennedy did that so he could receive a harsh sentence, because if he had been brought back to America, the public might have gotten outraged at what the politicians had done. According to Standard Operating Procedure and protocol, Kent should have stood trial in the U.S. The papers he had taken were American embassy papers not British. Although the court records show that no evidence was introduced that Kent was a spy, Joseph Kennedy later would concoct a long story for the public that Kent was a Nazi spy. Kennedy went on speaking engagements around the U.S. after he was relieved of his Ambassador post, and Kennedy made it sound like he was whole heartedly against the war. If Kennedy had really been against the war, if he had simply denied the British the chance to keep Kent, Kent could have spilled the beans about what Roosevelt was doing and the outraged would have destroyed Roosevelt's chances to fool the American people. Instead, Roosevelt was able to proceed and develop the elements for the Pearl Harbor attack. While Kennedy pretended to be against the war, he was serving as an intimate accomplice in maneuvers designed to fool the American people. This is a good example of how even today the public is looking to certain public officials to save them. They think that these politicians will try everything possible to help them fight the system, so when they fail to beat the system, the people think they have been beaten fairly. TO BE CONTINUED ---

REVISITING THE TOP 13 ILLUMINATI KENNEDY FAMILY

The intention originally was to have the article on the top Illuminati Kennedy family in two parts. Perhaps sometime a second part can come out. So far I have only exposed a small part of the Illuminati Kennedy.. As might be expected of any "good" Illuminati family, the Kennedy. are connected to drugs, to the Monarch program, to "death" euthanasia programs, to the British monarchy, and to the various organized crimes group., mafias etc. For this issue, I merely want to cover a few aspects of the Kennedy family which I didn't take the time to cover in the May 15, '93 issue. One aspect is the connection of the Illuminati Kennedy's to the drug trade, and another is their connection to "death" care and the Knights of Malta. (Readers are invited to read more about the Knights of Malta in one of the last articles in this newsletter.)

After W.W. I, Joseph Kennedy worked for Galen Stone, who was a partner in the prominent firm of Hayden Stone & Co. Hayden, Stone & Co. had ties to the Rothschild's. In order to gain respectability Joe married into the Fitzgerald family. (This is a common Illuminati tactic. It seems many of the Illuminati men, look for a wife who will gain them respectability. Often wives like this are not even brought into the Illuminati activities, so that they can be the best cover possible.) Kennedy's mob connection has been written about, but perhaps two are worth pointing out again. Joseph Linsey who was a kingpin of organized crime in New England and a partner in crime with Meyer Lan sky was a crime business partner with Joseph Kennedy. Joseph Linsey in fact was listed as the top contributor to Ted Kennedy's Senate race one year. André Meyer, head of the Meyer family, was manager of the Kennedy estates. One other business partner of Kennedy was the Bronfmans, who are powerful Illuminati figures in Canada. Kennedy was in business with Newark's Reinfield Syndicate of which the Bronfman's owned 50%. Winston Churchill, whose connections to the elite, are brought out in other newsletters, personally gave the grant to Joe Kennedy which gave him the Brit. alcoholic distiller's franchise for the American market. After Joe Kennedy became the Amer. Ambassador to Britain, we can catch a glimpse of how powerful the Illuminati are. The British Royal Family at the request of Joseph Kennedy put on their full royal regalia for the Kennedy family. When Kennedy arrived in Britain as American ambassador, he contacted the Astors and the Sassoons. Sir John Wheeler-Bennett founder and head of RIIA's research division is credited by those in the know as having written Kennedy's master thesis, which was later made into a book Why England Slept. Perhaps one of the items that best shows the hidden power behind Kennedy is his daughters marriage to William Cavendish and Joseph Kennedy's comments about it. Kathleen married the Duke of Devonshire. The Duke of Devonshire was very prestigious position within the British nobility. Dukes are second only to the monarchy. Joseph Kennedy was often heard saying. "If Kathleen and her husband were living, I'd be the father of the Duchess of Devonshire (first Lady-in-Waiting to the Queen) and the father-in-law of the head of all the Masons in the world." (Koskoff, David E. Joseph P.

Kennedy: A Life and Times. Englewood Cliffs, NJ: Prentice-Hall, Inc., p. 378.) Joseph Kennedy was in the British branch of the Knights of Malta which is called the Order of St. John. Interestingly, Jackie Bouvier Kennedy Onassis' sister Lee married Prince Stanislaus Radziwill. The Radziwill family established the Order

of St. John of Jerusalem (that's the Knights of Malta) in Poland in 1610. They also helped establish the Order in the U.S. (See the article on the Knights of Malta this issue.) Another tie in between the Kennedy's and the Knights of Malta concerns the Hospice movement. The Kennedy Institute for the Study of Human Reproduction and Bioethics (located at the Jesuit's Georgetown Univ.) is helping fund the Knights of Malta's hospice movement in America. In Oct. 1978, the first annual meeting of the National Hospice Organization took place. Sen. Edward Kennedy was one of the two keynote speakers. What is the hospice movement which is being conducted by the Hospitallers (one of the names the Knights of Malta go by)? It is a movement to allow old people "The Right to Die." The Knights of Malta have an ancient history of running drugs and in administering mind altering drugs in their hospitals instead of giving medicine. This ancient activity was carried forth into modern times when their St. Christopher's hospital in London began giving patients Brompton Mixture until they died. Brompton Mixture consists of heroin, cocaine, alcohol, tranquilizers, and chloroform water. This mixture is given in the Knights of Malta hospitals to patients every three hours until they die. Euthanasia, or "mercy killing" may seem like a merciful idea, until a person finds out how the people at the top of the Euthanasia movement view things. They view things similar to the Satanist Adolf Hitler. This view is that it is merciful to get rid of unwanted people. Although the "death" hospice movement seems benevolent at first, it is the conclusion of where the program will end up that is the kicker. Hospice, Inc. which is linked to the elite is also provided funding by the Kaiser Foundation. Besides ties to running drugs, the Kennedy Clan has had their problems with drugs. Ted Kennedy's daughter Kara was on drugs and ended up in a halfway house. Bobby Kennedy's kids were busted for drugs. Joan Kennedy was having problems with alcoholism. David Kennedy and Robert F. Kennedy, Jr. both have been addicted to hard drugs in spite of repeated treatments in detoxification centers. David later "O-D"ed (overdosed) on cocaine and died in 1984. Pat's Kennedy Lawford's husband was dependent on drugs and alcohol. It is not well known that the Illuminati have long used drugs. Elite people such as the Rothschild's, Winston Churchill in London and the Royal Family were using all cocaine, heroin and opium (not to mention occult ceremonies too). Queen Victoria, thought by many to be such a straight laced lady and her guests regularly used large quantities of cocaine and heroin. The royal summer residence was Balmoral and this was the site of frequent drug use, and one has to wonder what else.

SHORT SUMMARY

This revisit to the Kennedy's shows some of their ties to other elements of the Illuminati's vast scheme of things. Until people begin to recognize that the Kennedy's wielded an occult power via their bloodline, they will not begin to appreciate why the Queen of England and her family would honor a request from an Irish commoner to have her family dress up in full regalia for the pleasure of this commoner's family.

The friendship Winston Churchill
had with Billy Graham,

with Joe Kennedy, and his very
close relationship with

Onassis have recently been discussed. Churchill was an

active Freemason. He also was a Druid, This is the

picture of Churchill joining the Albion Lodge of the

Anc, Order of Druids at Blenheim, 15 Aug. 1908.

FOLLOW UP ON THE KENNEDY FAMILY

There has been new attention focused on the Kennedy's. JFK's widow died and then his mother Rose has also died recently. Last year, I read a book which was very well researched. It is entitled A Question of Character A Life of John F. Kennedy by Thomas C. Reeves. The book does away with all the propaganda, media hype and lies, and tells the truth about the Kennedy's. The book is well documented. The author spent a great deal of energy trying to find out the truth about JFK. What emerges is not public image that is so well known. JFK had only about a 119 I.Q., did very poorly in school, and could barely spell. JFK's father had the wealth and connections to buy his son anything. Although Kennedy had a back problem which made him almost crippled, his father got him into the Navy during W.W. II. When he was let in, the examining doctors looked the other way at his back problem (which plagued him his entire life). Kennedy got a commission as a Naval officer without having to go through the normal channels of training and being commissioned. As a naval officer he did a poor job, and the great PT-109 story was far different than what the public has been lead to believe. The fact that Kennedy let his boat be run over by a Jap destroyer was because he and his crew weren't paying attention (sleeping, hung over etc.) Kennedy realized he might be court marshaled for his negligence, but his father had the money to turn disaster into a story that made Kennedy into a hero.

Some of the things you will learn from the book follow. In the chapter The Founding Family we learn about PJ. Kennedy who was JFK's grandfather. He dropped out of grammar school, but by the age of 25 he somehow had ownership of a saloon and a liquor business. Later, he sold his liquor interests and went into banking. He also went into politics and via corruption was a successful politician. He won elections by hiring men to vote repeatedly for him. Joe Kennedy remembered 2 Ward heelers proudly telling Joe Kennedy's father who was on the election commission, "Pat, we voted 128 times today." Joe, PJ's son, married Rose Fitzgerald. The Fitzgerald's were a mighty Italian clan that had helped William the Conqueror become ruler of England. Honey Fitz was her father and he had a reputation for graft and vote fraud, as well as a not so secret notorious affair with a girl named "Toodles." Rose got her education in the Catholic Sacred Heart Convent which she completed a month before her 20th birthday. Her father was removed from the House of Representatives after voting fraud was uncovered. Joe was acquainted with Roosevelt when FDR was only an Ass. Secretary of the Navy. Joe became an insider with the stock market, and knew how to manipulate stock prices to fleece the small fish that tried to play the stock market. Various gangster reported that during prohibition they had smuggled illegal liquor into the U.S. with Joe Kennedy. Joe worked with David Sarnoff and his Radio Corp. of America. Joe had an extremely varied sexual life; he had affairs with countless women, and his son JFK followed in his footsteps. Joe bought a 15 room, nine bath home in Hyannis Port, Mass. on Nantucket Sound.

This became a favorite summer home of the Kennedy clan. He also bought a six-bedroom Spanish style house on the fashionable North Ocean Boulevard in Palm Beach, FL which became the clan's winter home. Rose is described as 'self-centered, stingy, prudish. and often spiteful.' Her servants called her "Madame". Rather than being the model mother that is pictured to the American public by the Kennedy's, she was often gone. JFK told his mother off at age 5, "Gee, you're a great mother to go away and leave your children alone." As an adult, JFK confided to a friend. "My mother was either at some Paris fashion house or else on her knees in some church. She was never there when we really needed her....My mother never really held me and hugged me. Never! Never!' Further, his father's lack of respect for his mother led JFK to say, "My mother is a nothing." (p.40) Imagine growing up without a mother to hug and kiss you! JFK's father 'tolerated little nonsense and no disobedience." (p.33) The life JFK lived at home was not a life of compassion, but one of rigid obedience. The children were stripped of many things ordinary children would have. They didn't even have their own rooms. (p. 41) Most children have a room of their own sometime in which to place their belongings and nick-knacks. The few times JFK as a boy invited friends over, they were frightened to death at how his father would fly into a rage and give the Kennedy boys a tongue-lashing. The children were not allowed to express pain. For instance, when one of the Kennedy's were hurt

and came to his mother for sympathy she ordered, 'On your feet, now you know how to behave. Go out there and behave as you know you should.' It is highly likely this strictness was related to some type of mind-control which even then was practiced by Satanic families. Joe had his daughter given a prefrontal lobotomy and then banished to a nursing convent. From then on his daughter Rosemary did not exist. One wonders what the full story was about Rosemary. Was she sexually abused as is done to so many of the elite's daughters of Satanic families? Felix Frankfurter who played such a prominent role with Charles T. Russell was a good friend of Joe's.

JFK managed to hide from the public during his life the fact that he wore glasses, and also to some degree his intense back pain which hurt him intensely. On page 40 we learn that JFK was unable to ever have a self-revealing conversation. JFK had a total lack of ability to relate, everything was very surface in his relations with people. He was very skilled at picking up women, and getting them to bed. And he had many good friends. However, he didn't have the ability to love or relate to others. This is another clue that he may have had some type of SRA abuse. On page 40, Reeves writes, 'At the root of it were months of loneliness and their parents often selfish, insensitive behavior.'" But I wonder if it didn't go deeper. From what I know from informers it goes deeper and involves SRA. JFK wasn't even told of his brother Teddy's birth, until he came home from boarding school and discovered he had another brother. JFK was very unsuccessful at most everything he did. His father had so much influence and power that he could get his son out of almost any difficulty. A friend of JFK's recalled, "With Jack, nobody really admired what he did or respected what he did but they liked his personality. When he flashed his smile, he could charm a bird off a tree." At the age of 17, Jack went to Harlem to a brothel. Later, he nicknamed his sexual organ JJ." Meanwhile his father was the chairman of the Securities and Exchange Commission (SEC) and an informal adviser to Pres. Franklin D. Roosevelt. I might add here, that if you look closely you will find the Illuminati Kings are the advisers to the Presidents.

I have mentioned some of these already, like in the article on the Bundy Illuminati family. Another example may be found in the book *The Old Boys- The American Elite & The Origins of the CIA* by Burton Hersh. On page 41 of *The Old Boys* we learn that President Eisenhower's Special Assistant for Cold War Strategy was Nelson Rockefeller. The most dangerous situation this country has ever been in was the threat of the Russian military, and who was the primary advisor to our President Eisenhower during his term as a U.S. President during the Cold War? Illuminati King Nelson Rockefeller. JFK went for one year to the London School of Economics according to the story given the public. Actually he went there for one month, didn't do any academic work and came back home. But it is significant that his father tried to send him to a school in which so many of the elite have gone to. JFK had help in writing and putting out a book entitled *Why England Slept* Henry Luce, who headed *Time-Life* and who was a good friend of Joe Kennedy gave the book good publicity in *Time* magazine, and his father bought between 30,000 to 40,000 of the books and stored them in the attic and basement of his Hyannis Port home in order to make Jack's (JFK) book a best seller. When JFK went to California in 1940, one of the places he stayed at was with William Randolph Hearst, who is another Illuminati figure, at his coastal castle. Hearst would give help to Kennedy later on too. When Kennedy ran in politics, Hearst's Boston American wouldn't even accept Kennedy's opponent's paid political advertisements. Joe Kennedy worked for the FBI after W.W.II. (p. 59) JFK's favorite sister Kathleen, married William Hartington, who's father was the tenth duke of Devonshire, a pillar of the Church of England (called the Episcopalian church in the US.) and a high ranking Freemason. After marrying him, she had an affair with aristocrat Peter Milton, Lord Fitzwilliam. After Joe, Jr. died, JFK's father started grooming JFK to become President.

After Jack was elected to the House of Representatives, his three best congressional friends were Richard Russell, Spessard Holland, and Robert A. Taft. Notice that two of these are from well-known illuminati families, the Taft's and the Russell's. By the way, the occult Taft's and occult Russell families have intermarried. Because there is so much disinformation out about the people who run this country, it must sometimes seem rather bizarre that people like me come along and say there is a satanic conspiracy of great magnitude. If Americans were as a whole critical thinkers and would challenge the propaganda that the controlled media gives them, then the false fronts and false public images of their leaders might not get written up so easily as history. There are not many critical thinkers in this nation. There are a great many intelligent people, but not a great many critical thinkers. A conspiracy of great magnitude has had this nation in its grips since the nation was founded, and the controlled press has managed to prevent the general population from finding this conspiracy out. The Kennedy Family has played a role in that conspiracy. JFK gave his life to that conspiracy. The assassination of JFK is one of the best ways to introduce Americans to the conspiracy. Ralph Epperson who gives talks/slideshows about the NWO to groups likes to use the Kennedy Assassination as a method to get people to realize that there is a NWO conspiracy. Interestingly, Ralph Epperson, had as a companion for a while without knowing it, an active Monarch slave who helped him give presentations. It is difficult for those exposing the NWO to get away from being infiltrated. The Monarch mind-controlled slaves are very difficult to detect, especially since most people don't even know that they exist.
